

About Radiance Energy

Radiance Energy is an industry-leading full service provider of high quality LED lighting solutions

Our advanced LED technology solutions save our customers 70% to 90% in energy costs, while virtually eliminating ongoing maintenance for a decade or more.

We lead the industry in providing high-value, state-of-the-art LED lighting. Our innovative solutions provide a healthy experience, closest to natural lighting conditions in living, shopping and work environments.

Radiance Energy is focused on customer service. From our initial energy savings analysis through to recommending and installing the most efficient LED solutions, our customers come first.

Our certified installers will work with you to ensure your new LED lighting is perfect for your specific needs. We also specialize in the process of optimizing your maximum available utility rebates.

Radiance Energy invests extensively in R&D. We align with industry-leading, sustainable technology manufacturers. This allows us to offer the longest warranties in the industry.

Our mission is to help you choose only the best and highest value LED products that improve your lighting at a fraction of your current energy operational costs.
